Dear Sir:

Due to an unfortunate misunderstanding an error has been made in regards to the making out the affidavit for the said party. As mentioned before I had asked if I could bring in more than one immigrant and would like to know if I would want to bring in this other immigrant must I make out additional papers or could these others be transferred for another person. If additional money or papers are to be made out please send me the information and cancel the application made for Mieczyslaw. Should I have trouble with the first party I would rather help someone else out. Very unfortunate that this come up but in a way it's good it happened now before it's too late.

Yours truly,

Mr. Jos. Gyzowski.

Dear Sir:

I'm sending the money order of twenty dollars and all the papers I finally got together. I hope they are just what is needed, and I want to let you know about the value of our property the uppraiser listed it as 13,500 but if we were to sell it we were offered even more than the price I put in the application.

I do have another person in mind which I would also like to help. Just how much must a person have inorder to help an immigrant.

Yours truly

Mr. Joseph Grynvalski

Dear Sir:

Just a few lines to ask you for some information, but before I write any further I must tell you my sister Miss Josephine Grywalski wrote a short time back concerning her fiancé I'm telling you this so there's no confusion. I would like to know if I could get help for my fiancé who at present is in Canada under contract to work on the farm. He wants to come here and is asking me to help him is there any way I can help him, would an affidavit help and what about a passport for visiting here.

Yours Truly
